INTRODUCTION

For the safety and comfort of all participants and in consideration of health and hygiene factors, Baldivis Little Athletics Centre (Baldivis LAC) maintains a strict policy regarding dogs during competing or training sessions. The following guidelines are in effect:

1. Presence of Dogs

Dogs are not permitted within the premises or competition grounds of Baldivis LAC during training sessions, competitions, or any other activities held by Baldivis LAC.

2. Exceptions

Service animals certified to assist individuals with disabilities are the only exception to this policy. These animals must be clearly identifiable as service animals, remain under the control of their handlers, and on a leash at all times.

3. Policy Enforcement

Baldivis LAC reserves the right to enforce this policy and may request the immediate removal of any dog found within the prohibited areas.

This policy is established to uphold the safety, well-being, and focus of our athletes, coaches, officials, and spectators during Baldivis LAC events and training sessions. Your cooperation in adhering to this policy is greatly appreciated.
